No Cure No Pay

Is the common term in the recruitment industry that refers to a payment model where we only receive payment for our services when we successfully place a candidate in a job. However, we have seen current recruiting fees skyrocketing towards 35% based on a candidate annual salary. But we are different, and therefore we designed a fixed recruitment fee that makes working with us accessible for everyone, from enterprise to small start-ups with no or little investment.

Our competitive fixed fees for this service depend on the level of salary:

- 20000,- to 30000,- Fee: 5000,-
- 30001,- to 50000,- Fee: 7500,-
- 50001,- to 75000,- Fee: 10000,-
- 75001,- to 100000,- Fee: 12500,-
- ++100001,- Fee: to negotiate

To enhance the attractiveness, transparency and integrity of these fixed fees, payments will be distributed over a period of up to 12 months, with a minimum of 1000,- per month. If the candidate resigns from their position for any reason, payment will cease accordingly, unless you opt to have the candidate replaced. In such a scenario, the monthly payment will continue, and we will facilitate the candidate replacement within 1 month at no extra cost.

This unique payment model will ensure a mutually beneficial partnership, where both parties are invested in the success of the recruitment process and business continuity.
